To Whom It May Concern:

Calumet Christian School, in Griffith, Indiana, is an independent, accredited private school whose goal is to provide quality education for children K-12th grade. It is our intent to provide an education that incorporates Biblical truth into the spiritual, academic, social, and physical aspects of the students' lives. Our goal is to provide academic excellence from a biblical perspective.

CCS has seen steady growth since our accreditation and we are currently over one hundred forty students. We are thrilled with the opportunity to make an educational and spiritual impact for the families of NW Indiana. In order to accomplish strategic growth, we need to raise funds for specific needs. On November 9, 2019, we will be having a **Live Auction** as our school's MAJOR fundraiser. Funds raised at this event have helped us purchase computers, a new van and playground equipment. Funds raised this year will go towards improving the technological resources within the school.

We are depending on the kindness of individuals, businesses, and organizations to donate items and services. **Calumet Christian School is a tax exempt organization eligible to receive tax deductible contributions under section 501(c)(3) of the Internal Revenue Code (35-1088269).** Any donation will be tax deductible and a receipt will be issued.

Your kind consideration in donating for the Live Auction is appreciated and not taken lightly. Should you require further information or would like to discuss this in detail, please contact the FUNdraising Coordinator at (219) 688-5763 (text or voice) or jconstant@ccspatriots.org. If you would like more information regarding CCS you may visit our website at www.calumetchristian.org.

Thank you in advance for your time and careful consideration!
