Dear Valued Business Owner,

The HighlandGriffith Chamber of Commerce is excited to continue a program that will have a significant impact on the promotion of the area. We are working in partnership with CGI Communications, Inc. on a digital marketing program to highlight all our community has to offer our residents, visitors, and businesses.

CGI is a leader in online marketing solutions; working with thousands of communities and businesses nationwide. Their innovative digital media tools provide communities and businesses with the opportunity to stand out from the crowd. In addition, CGI's Review Tube division will provide a platform for the chamber and our members to enhance their online presence through video reviews.

CGI will be contacting members of our local business community regarding participation in the program. We encourage you to consider supporting the program, and learning more about all that CGI has to offer.

If you have any questions or need further information, please contact me at 923-3666 or [mary@highlandgriffithchamber.com](mailto:mary@highlandgriffithchamber.com)

Thanks for your continued support,

Mary Luptak, Executive Director
