HIGHLANDGRIFFITHCHAMBER.COM

To have your event in the **HighlandGriffith Chamber Member Happenings**, send a pdf of your flier or announcement to info@highlandgriffithchamber.com. If possible, send your file at least 2 weeks in advance. Include 'Member Happenings' in the subject line of your email. Member Happenings will go out weekly on Monday. **Due to file size limitations, only two weeks worth of events will be included.**

*This is a free service to HighlandGriffith Chamber Members only. The HighlandGriffith Chamber reserves the right to refuse or edit a digital file. The flier must advertise an event or Chamber Member benefit, not a sale or product. **For example:** Benefits, seminars and open houses, or events are acceptable. Advertising a product, listing sales advertisements, or fliers requesting sponsorship are not acceptable.*

The only exception is our Non-profit organizations may sell products that are for fundraising purposes, but may not use this for requesting sponsorships. Sponsorship requests are to be done in the Member to Member Networking group.

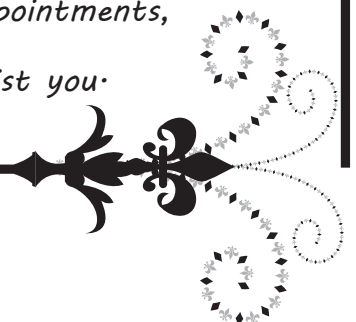

Exciting changes have taken place over the last year at Moses Eyecare and 2020 holds many new updates that will allow us to serve our patients even better. With that in mind, we have decided to temporarily close our Highland office as we have physically outgrown the location. Our last day will be March 25, 2020. We are diligently searching for a larger building to continue to serve our Highland and Munster patients. In the meantime, to accommodate everyone, we have updated and brought in the latest technology to our office just north on highway 41 (Indianapolis Blvd) next to the Wheel restaurant. It is a new facility with all the advanced equipment and twice the frame selection compared to the current Highland location. As a second alternative, patients are welcome to go to our Griffith office located on Broad Street. Both locations are less than 10 minutes away and will have expanded hours to help meet your needs. 2020 certainly looks to be an exciting year for the Moses family and our patients; one we are certain will be a great one for all of us.

We hope you are as excited to SEE  2020 as we are!

Thank you,

The Moses Family
