Google IT Support
PROFESSIONAL CERTIFICATE

Receive IT training developed by Google!

Discover a career in information technology through a no-cost certificate program developed by Google and hosted on Coursera. With cutting-edge virtual courses, hands-on labs and more, the Google IT Support Professional Certificate program is designed to prepare you to start a career in IT support!

This five-course certificate program can prepare you for an entry-level role in IT support. Whether you're a digital native or are completely new to the field, Goodwill can train you for success in IT.

What to expect after enrolling:

- Education on the IT skills needed to succeed in the highly competitive workforce
- A dynamic mix of video lectures, hands-on labs and support from Goodwill
- Introduction to troubleshooting, customer service, networking, operating systems, systems administration, automation and security
- Job placement and career advancement services provided by Goodwill

PREPARE FOR THE DIGITAL WORKFORCE!
