THE CHAMBER NEWS

Executive Director Notes to the Members

Hello Chamber Members!

One of the benefits of the Chamber is networking. We are happy to say that we have some upcoming events that everyone can meet, connect, and mingle at!

It is no secret that this newsletter is full of information about those events. However, I wanted to take some time to ask everyone to come out and help support the events that are approaching. Let us support our new & current members by spreading the word and attending the ribbon cuttings coming up. It's always a good thing to help spread some good news and growth in our communities! This leads us back to networking! Growth in the community means new opportunities for more connections.

Here are some ways you can support your local chamber members:

- Write a review,
- Follow on social media
- Engage on posts,
- Post a photo

Let's grow our community together!

I want to thank all our sponsors for the Tour Event coming up on June 12th! All support is appreciated!

We are asking everyone to help spread the word about the event or if your business would like to pass out brochures or hang a poster contact us so we can get that out to you! The posters do have a QR Code that can be scanned and people can sign up right from their phone so no one has to touch anything.

My goal here at the Chamber is to help promote our members by building our online presence while managing the events that are currently in place. If you have any ideas that you would like to share please feel free to email me and share them. I am excited to hear any ideas that can bring in members. Let us work together on building the Chamber and help promote good business.
