**You need an  
estate plan.  
Yes, you.**

## You're Invited

When it comes to your estate, even if you've taken no action at all, you have an estate plan. Your "default plan" may be determined by the laws of your state.

Join us for our presentation *Script Your Family's Future: Why You Need an Estate Plan*. We'll discuss strategies you may want to consider when planning your estate, including:

- How are your assets distributed to your family?
- Who will take care of your minor or special-needs children?
- Who will make medical or financial decisions for you if you can't make them for yourself?

Christie R. DeHaan from DeHaan & Roethler Legal, LLC will be available to answer questions.

**We hope you and a guest will join us.**
