Member Happenings

HIGHLANDGRIFFITHCHAMBER.COM

To have your event in the **HighlandGriffith Chamber Member Happenings**, send a pdf of your flier or announcement to info@highlandgriffithchamber.com. If possible, send your file at least 2 weeks in advance. Include 'Member Happenings' in the subject line of your email. Member Happenings will go out weekly on Monday. **Due to file size limitations, only two weeks worth of events will be included.**

*This is a free service to HighlandGriffith Chamber Members only. The HighlandGriffith Chamber reserves the right to refuse or edit a digital file. The flier must advertise an event or Chamber Member benefit, not a sale or product. **For example:** Benefits, seminars and open houses, or events are acceptable. Advertising a product, listing sales advertisements, or fliers requesting sponsorship are not acceptable.*

The only exception is our Non-profit organizations may sell products that are for fundraising purposes, but may not use this for requesting sponsorships. Sponsorship requests are to be done in the Member to Member Networking group.

✓ Make Your Own Google Form

Tuesday, October 12th
11:00AM-12:00PM

Do you want to create a survey, a questionnaire, an order form, a quiz, an opinion poll? We want to teach you how. Google Forms is free online software that allows you to create any of these things and collects the answers for you. You can send these forms out to people or even embed them in a webpage and have people fill them out as they visit that page. This is a great tool with many applications, don't miss out on learning how to use it.

The background of the central section is a photograph of autumn-themed items. On the left is a bouquet of red, purple, and yellow flowers. In the center is a large orange pumpkin bowl filled with smaller pumpkins and gourds. To the right is a large orange pumpkin. All items are resting on a red and white plaid cloth. The text 'Present Greatness with Google Slides' is overlaid in a black script font.

Present Greatness with Google Slides

Join us for this workshop and learn how to make your presentations greater.

Google slides is a presentation creating program, much like Microsoft PowerPoint, but unlike PowerPoint it is entirely web based and free.

Presentations are still extremely useful in the world today, not only in school and work projects, but in public speaking events, at church, funerals, reunions, and various other events.
